Hemlo Mining Corp., operating near Marathon in Northwestern Ontario, currently has an opportunity for a:

4 x Core Logging Geologist - Temporary

Position Description:

The Core Logging Geologist is accountable for logging diamond drill core from Geology drill programs. You will possess core logging skills and knowledge of the Geology of Archean Greenstone belt lithologies. You will be working with a team of professional technicians and geologists.

Responsibilities:

- Proven commitment to workplace safety.
- Log drill core at an advanced level including lithological logging, geotechnical logging and oriented core logging.
- Log core efficiently to meet daily quotas always ensuring quality data collection.
- As required assist in other areas of the department such as but not limited to: UG/surface mapping, drill planning, data validation and drill hole interpretation.
- Able to work with minimal supervision meeting daily logging quotas and quality.
- Other duties as assigned.

Qualifications:

- Bachelor of Science Degree in Geology or equivalent is preferred; technical diploma in mining or related field will be considered along with current students enrolled in Geology or mining programs.
- Professionally registered as a P.GEO or G.I.T preferred.
- 1-4 years of previous relevant experience. Experience logging oriented core and geotechnical core logging preferred.
- Experience with diamond drill core logging software programs such as: acQuire, Datamine, MX Deposit preferred but will provide training.
- Knowledge of Archean Greenstone belt lithologies, structure and alteration patterns.
- Ability to work in a fast-paced environment.
- Able to physically meet the requirements for the position, including but not limited to: standing for long periods and repeatedly lifting 18kg (40lbs) multiple times daily.
- Proven attention to detail with a high level of accuracy
- Excellent organizational, time management and office management skills

- Ability to work effectively as part of a team, as well as independently
- Demonstrated well-developed interpersonal skills.
- Excellent verbal and written communication skills
- Capability to multi-task, self-manage and self-motivate
- Demonstrated good attendance and performance records with the ability to maintain these same standards

What We Can Offer You

- Base wage range from \$45 to \$55 per hour, depending on experience and qualifications.
- Comprehensive compensation package including competitive bonuses and wages.
- Progressive career path with opportunities for advancement.
- Work in a dynamic, collaborative, and high-performing team.
- Access to experienced mining professionals for knowledge-sharing, mentorship, and skill-building.

Equal Employment Opportunities

- Hemlo Mining Corp. is committed to creating an inclusive, respectful workplace and is proud to be an equal opportunity employer.
- We operate on the traditional territory of Biigtigong Nishnaabeg and Netmizaaggamig Nishnaabeg and we are committed to fostering meaningful relationships and employment opportunities with Indigenous Peoples. First Nations, Inuit and Métis persons are encouraged to apply.
- We also welcome applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.
